INTERNSHIP EXPERIENCE

Kimberly-Clark Corporation

Financial Supply Chain Analyst Intern

Knoxville, TN

June 2024 – Present

- Resolve \$12.5 million in freight payment disputes by effectively determining issue areas and conducting financial analysis
- Spearhead an electric vehicle implementation, achieving a projected total reduction of 65 tons in annual carbon emissions
- Analyze data from 122 less-than-container-load shipments using Microsoft Excel pivot tables, leading to cost-saving opportunity

Cascatta Developments

Business Development Intern (Remote)

Laguna Beach, CA

August 2023 – June 2024

- Led a company-wide outreach initiative—establishing connections with over 50 podcast hosts, and increasing outreach by 125%, generating visibility for the commercial real estate firm and members of the executive team
- Created over 200 daily email updates, informing leadership of relevant and high-priority correspondence and action items
- Ensured reliable and ethical procedures while managing sensitive client documents, financial records, payroll, and invoice receipts

WORK EXPERIENCE

Property Manager

Freelance Agent

Brentwood, TN

June 2023 – Present

- Manage operations and cash flow of a 3 bed, 2.5 bath single-family residential property within the greater Nashville area, generating \$25,200 in annual recurring revenue for the homeowner through competitive market pricing
- Source prospective tenants—establishing a 100% month-to-month occupancy rate, and facilitating smooth tenant transitions

Moonarch

Venture Scout (Remote)

New York, NY

February 2024 – June 2024

- Sourced startups (Pre-seed - Series A), with active rounds totaling \$7.5 million, connecting companies with relevant angels, accelerators, and over 60 funds, for a private markets investment and technology company
- Facilitated smooth investment operations by connecting C-Suite executives to applied asset management and staffing companies

Tristar Power-Washing

Founder

Nashville, TN

June 2022 – June 2024

- Co-founded and ran a local summer power washing and sealing company, earning over \$6,000 in revenue in under 3 months
- Acquired clients through door-to-door salesmanship, social media outreach, and word-of-mouth communication

CAMPUS INVOLVEMENT

Penn State University, Smeal College of Business Career Center

Career Services Intern

University Park, PA

March 2024 – Present

- Assist students with professional development by completing over 30 resume reviews, mock interviews, and job preparations
- Welcome visitors, students, alumni, and employers into the office, assist them with any issues, and direct them to specific locations
- Assist 8 full-time staff with a variety of office duties, organize resources, and assist with employer events and fairs

Penn State University, Smeal College of Business

Student Mentor

University Park, PA

March 2024 – Present

- Mentor 5 first-year students to ease their transition into college life, emphasizing communication, interpersonal skills, and providing support in managing academic and social challenges, while fostering a positive learning environment

Penn State University, Department of Communications Arts and Sciences

Debate Team Member

University Park, PA

March 2024 – Present

- Construct complex, pre-policy, arguments on topics of military footprint, censorship, and wage ethics through structured research
- Attend practices, focused on mastering argumentation framework and rhetorical approaches for successful debating
- Recruited directly to the debate team by the head coach after displaying superb skills in speech presentation and delivery

Penn State University CAS 100 Public Speaking Contest

SemiFinalist

University Park, PA

April 2024

- Advanced to the semifinals (top 12 of 720) in a university-wide speech competition on policy invention and implementation
- Constructed an extemporaneous 8-minute speech on the detrimental health effects of energy drinks on college students
